Main building

F-star Biotechnology Ltd:
Eddeva Building B920
Babraham Research Campus
Cambridge, CB22 3AT
UK
TEL +44-1223-497-400

F-star is located on the Babraham Research Campus. The main building (B920 Eddeva) is close to the entrance of the campus. Parking is available behind the building.

F-star has also offices in the Riverside building. Parking is available opposite the Cambridge building.

 [Directions on Google Map](#)

TO REACH THE BABRAHAM RESEARCH CAMPUS

BY CAR FROM LONDON (VIA M25 JN 27) AND STANSTED AIRPORT

Join the M11 northbound towards Cambridge.

Leave the M11 at Junction 9 and merge onto the A11 (signposted to Newmarket, Norwich).

Leave the A11 at the second junction (after approximately 5 miles) and head towards Cambridge on the A1307.

At the next roundabout turn left onto the Babraham Research Campus.

BY CAR FROM CAMBRIDGE

Leave Cambridge City Centre via Hills Road (A1307) and continue approximately 6 miles. The Babraham Research Campus is signposted to the right.

If travelling on the A505, please do not turn left into Babraham village, but continue onto the A11, remain in the left-hand lane and exit onto the A1307 at the next junction.

As part of our community policy we request that visitors to the Campus do not drive through Babraham Village but use the A505/A11 and enter from the roundabout on the A1307.

BY TRAIN FROM LONDON

There is a regular service to Cambridge from London Kings Cross. Whittlesford is a stop on the London Liverpool Street to Cambridge line. Taxis are available at the Cambridge station only.

For further train service information please telephone: The National Rail Enquiry Line on 08457 48 49 50

For local taxi service, please telephone: Panther Taxi on 01223 715 715
